

Desktop Thermal Printer

P804

Windows

Android

IOS

Linux

Product Features

- 3inch (80mm) thermal paper printing
- High printing speed 200mm/S, low noise
- Supports USB, USB+LAN, USB+LAN+COM, USB+WIFI, USB+BLUETOOTH interfaces
- Over Temperature Protection for printing head, makes it with long service life of 150km
- Supports cash drawer port
- Supports wall mounting
- Auto cutter

Specification

<u>Physical Parameter</u>	
Dimension	190mmx140mmx135mm
Weight	1.0kg
Compatible OS	Windows/Linux/ Android/IOS
Interface	USB, USB+LAN, USB+LAN+COM, USB+WIFI, USB+BLUETOOTH
Power	Input: AC 100-240V 50-59Hz Output: DC 24V/2.5A
Cash drawer power supply	DC 24V/1A
<u>Environmental</u>	
Operation Temperature:	-10 ℃ to 45 ℃ 10% RH - 80% RH
Storage Temperature:	-10 ℃ to 60 ℃ 10% RH - 90% RH
<u>Performance parameter</u>	
Printing method	Thermal line printing
Paper width	79.5±0.5mm
Paper type	Thermal Roll Paper
Paper Diameter	80mm
Resolution	203dpi(8dot/mm)
Printing speed	200mm/s
Print control instructions	ESC/POS print commands
Cutter	Auto cutter
Print life	150KM

Optional Accessories

Thermal receipt paper

Application

3inch thermal printer can be used in various scenes, catering, supermarket, logistics, hospital, manufacturing etc.
